

Speech at the Black Gate of Debt

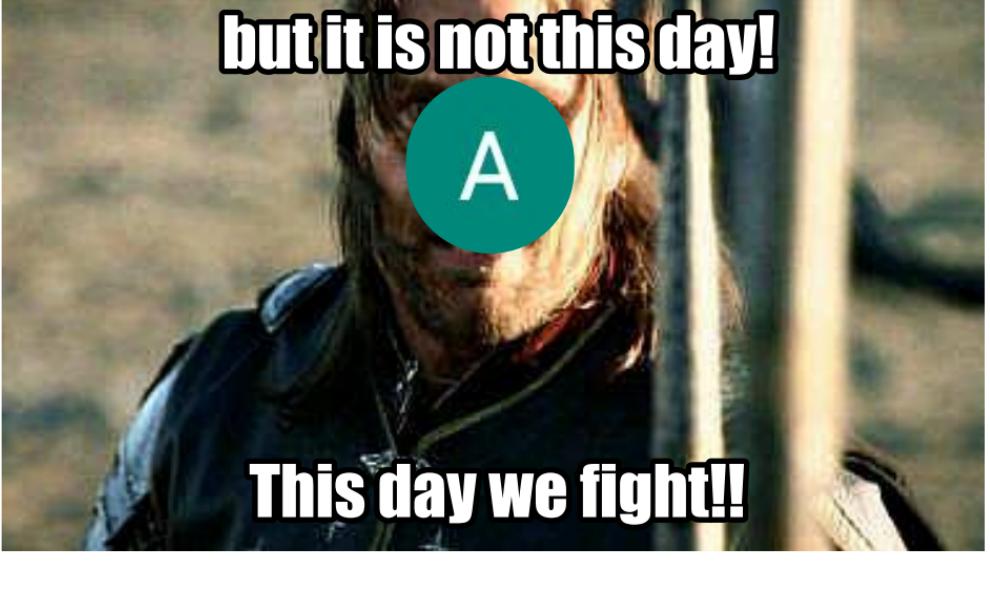

I see in your eyes the same fear that would take
the heart of me.

A day may come when the courage of manifold fails,
when we forsake our friends
and break all bonds of fellowship,

An hour of misresolutions and shattered markets,
when the age of manifold comes crashing down,

but it is not this day!
This day we fight!!

By all that you hold dear on this good platform,
I bid you stand, users of manifold!
